

# VIOLA TO PANAMA

## July - Aug, 2021 Prayer Letter

Greetings to all in the name of our Lord and Savior,

Thank you to the churches that have decided to partner with us over these past two months and for those who continue to support us to reach the harvest field of Panama. The Lord has increased our support level from 38% to 42%. We are getting ever closer to reaching the half-way point of our deputation.

Through the past two months, I have been able to be a part of multiple missions conference in different states. While attending one of the mission conferences in Ohio, I was able to join Bible Baptist Church in going to witness at the Ohio state fair, where we were able to share the Gospel with many men, women, teenagers, and families. While some wanted nothing to do with the it, we saw many teenagers come to know Christ as their Savior through the day! What a blessing!

The Lord has already started filling our calendar for 2022. So far, He has provided us with twenty-one bookings! Praise be to God! We are praying that we will reach our goal of having 80 to 100 bookings for 2022. If the Lord continues to supply as He has already done, will be on track to be finished with deputation by the end of 2022. Please be praying that we will reach these goals.

Thank you for the encouraging words, letters, prayers, and support. We appreciate all of you.

With blessings,  
Zach & Maria Viola

### Visa Update - (Answered Prayer)

**Maria's Visa was approved by the US Embassy and she now has it in her hands! She will be flying into the U.S. to join me on deputation in September. Once she is in the United States we will then begin the next step of her immigration, which is filing for the Green Card.**

### Travel Update

During July, I was able to present the work to Panama in churches in Massachusetts, Texas, and Ohio. In August the Lord blessed us with being able to present in multiple missions conferences in churches in Ohio, Florida, and Tennessee.

### Panama Update

The corrected land title is currently being finalized by the Panamanian government and once finalized, the construction on the first ever permanent Baptist church building in Boquete should begin. Please be praying that that the remaining process will go without problems.

### Prayer Requests

1. Pray that God will provide 100% of our monthly financial goal to get to Panama in 2022: 42% of the goal has been reached.
2. Pray that the process for Maria's Green Card would go smoothly and quickly without issues.
3. Pray for continued safety and good health for us while we are traveling.
4. Pray for the lost souls of Panama and the church plant of the Sherwood's in Boquete.
