

# VIOLA TO PANAMA

## May - June 2022 Prayer Letter

Greetings to all in the name of our Lord and Savior,

As we have now entered into summer, we are blessed to say that we have reached 83% of our needed monthly support. Praise be unto the Lord! We are still on tract to be finished with deputation in December this year.

In May we started out in the state of Arkansas, where both Maria and I got the opportunity to go door-to-door witnessing with one of the churches that we had presented at which, we are glad to say is now a supporting church. While going door to door, we ran across a gentlemen who did not speak English but did speak Spanish. Maria was able to give a clear Gospel presentation to him, since my Spanish is not yet at the adequate needed level. However, I myself got the chance to share the Gospel with a group of college kids (Oscar, Naomi, Chris, and Thomas). Please be praying that they will come to accept Jesus as their Savior.

Throughout May we were able to present in three churches in Arkansas, one church in Texas, five churches in Louisiana, and one church in Mississippi. In June we presented in five churches in Mississippi, one church in Alabama, two churches in Indiana, one church in Kentucky, and one church in Texas. Please continue to pray for safe travels for us.

### Wheels To Go!

Thank you to all those who have given towards our needed vehicle. We are getting ever closer to the end of the year and rounding out deputation. Currently we are just shy of the 50% mark of the needed vehicle funds. We are aiming to raise \$30,000 for the pick-up truck. Please be in prayer that the Lord would supply the full funds.

With blessings,

### Panama Update

We have seen news recently that the President of Panama has announced that the public mask mandate will be coming to an end on July 11th. However, the restrictions to get into the country have yet to change. It is still required to either provide proof of full vaccination or a negative Covid test taken within 72 hours of the flight's departure time.

### Construction of Church Building

The roof for the church building in Boquete is getting ever closer to being complete, and it looks like the church congregation will possibly be able to move into the new building sometime at the end of August. Please pray that there will be no further delays due to supply issues or price increases in materials.

### Prayer Requests

1. Pray that God will provide 100% of our monthly financial goal to get to Panama in 2022: 83% of the goal has been reached.
2. Pray that God will provide 100% of the needed vehicle funds: \$14,000 of the \$30,000 is reached.
3. Pray for the lost souls of Panama and the church plant of the Sherwood's in Boquete.
4. Pray also that the constructions workers, who are working on the building, will come to accept Christ as their savior.
5. Pray for Maria's Green Card process, that she will receive her green card before we leave for Panama.
